Bonus Ready on Stored Wheat

Wheat Farmers Asked to Turn in All Old Wheat Which They Have on Hand

Farmers who have old wheat in storage on their farms are urged to sell under either one of the two provisions of the Government buying program.

The Commodity Credit Corporation is offering farmers 30c per bushel over the cash market for wheat to be used for relief to the starving people of other lands. Wheat to be delivered to the elevator by May 25.

They are also offering to buy old wheat for immediate delivery to be paid for at the market price on any day the producer may choose between delivery date and March 31, 1947. Wheat to be delivered by July 1, 1946.

The wheat must be delivered to elevators having warehouse agreements with Commodity Credit Corporation.

The announced purpose of the so-called "Wheat certificate plan" is to bring out wheat which is stored on farms awaiting higher prices, since the Government has been unable to meet its full quota of wheat for shipment to famine areas.

Council of Church Women Have May Day Luncheon

Tuesday the Council of Church Women of Canyon held its annual May Day Luncheon in the Presbyterian Church.

Approximately 50 women attended the luncheon and the day's program.

At 11:00 o'clock, Mrs. Lee Johnson led the May Fellowship Day program with a challenging discussion of "The Church and Its Outreach." Special music was rendered by the All Church Choir.

After the covered dish luncheon, Mrs. J. I. Payton very ably discussed "The Christian Home."

At the business meeting over which Miss Margaret Barrett, president, presided, Mrs. Dewey Foster was elected secretary to replace Mrs. R. C. Hillier, who had resigned.

Troop VII Inspect City Protection

Fourteen girls of Troop VII, composed of 5th and 6th grade girls from the Demonstration School made an inspection tour of the water works last Friday.

Leslie Key of the Water Department conducted the tour through the plants, showing the girls how the water was pumped and distributed.

From there they went to the fire trucks and then to the City Hall where Mrs. Berl Mayfield, City Clerk, explained to them how the health of the community was guarded by inspection of all food supplies and by requirements of health certificates for those who handled food.

Further protection was explained by explanation of the garbage disposal.

This study was made by these girls under the direction of Mrs. Dutch Cleavinger in their study of community protection as a study toward second class badges.

Willard Boehning Family Seriously Hurt in Accident

The Willard Boehning family of Wildorado was seriously injured in a car accident west of Amarillo Saturday. The Boehning car was hit head-on by a driver who was on the wrong side of the highway.

The Boehning family lived east of Canyon until a few years ago.

Rotary Ann Dinner Was Given Tuesday Night by Club

Members of the Canyon Rotary Club entertained the Rotary Ann's Tuesday night at dinner. The club did not meet at noon, but will resume noon meetings next Tuesday.

President Stuart Condon presided.

President-elect A. M. Meyer gave the welcome, which was responded to by Mrs. Olin E. Hinkle.

Dr. Condon introduced officers of the club for the coming year as follows: Dr. Meyer, president; Mr. Condon, vice president; Arthur C. Haley, Jr., secretary; directors, J. D. Barker, Glenn McClure, Gordon Lyons, Boone Truax.

A piano group was played by Miss Matilda Gaudin; readings were given by Miss Dorothy Rae Bivins; vocal solos by Miss Dorothy Evans; and saxophone solos by M. D. Shepherd.

Prominent Land Owner Is Dead

Word has been received of the death of D. D. Doss at San Antonio. His brother, B. D. Doss, has been at his bedside for the past two weeks.

Mr. Doss was a prominent land owner in Randall county. He has been seriously sick for several weeks.

Mr. and Mrs. W. C. Black drove to Lubbock Friday to visit with Mrs. Black's sister, Mrs. Lon Davis, who underwent a major operation. Mrs. Davis is reported to be doing very well.

Mr. and Mrs. Paul Cuenod of McGregor visited this week with their daughter, Miss Maud Cuenod, instructor in W. T. They were accompanied by Miss Emmaline Cuenod of Galveston.

College Honor to War Dead

Services Will Be Held Sunday Afternoon; Public Invited to the Program

Panhandle folk are being invited to join relatives of West Texas State College students and ex-students killed in World War II in a memorial service here Sunday, May 5, at 3:20 p. m.

The college's list of war dead has grown to nearly half a hundred, and the total is mounting as additional names are verified.

The program, arranged by a committee headed by Dr. B. F. Frona-barger, will be as follows:

Preliminary music as the audience quietly assembles in the main auditorium.

Invocation, President J. A. Hill.

Music, Double Sextet.

Memorial talk, Dr. R. Thomsen of Amarillo.

Reading, selections from Lowell's "Commemoration Ode" and verse found on the body of an Australian soldier, Dr. A. Kirk Knott.

Music, Double Sextet.

Presentation of memorial statements, President J. A. Hill.

Benediction.

Music, as audience quietly leaves the auditorium.

Myers Implement Will Start Work on New Building

Work will start this week on the display room for the Myers Farm Implement Company. The new building will be just east of the present building on Fifth Avenue. Permit for the construction was received Thursday.

The new building will be 60x75 feet, and will follow the type of construction recommended by International Harvester Co.

The new structure will house the display room, parts and office for the firm.

The present building will be remodeled to take care of the shop and storage. The shop will be enlarged to take care of the growing business institution.

Palisades Will Be Sold Next Month at Sheriff Sale

A sheriff's sale will be held on a large number of lots in the Palisades on June 4, according to a legal notice in the hands of Sheriff M. E. Cantrell. This sale is for the purpose of clearing the title on a number of lots which were originally sold to various citizens.

The property was a state park back in depression days, and a company of CCC workers built a club house, and did other improvements. It is not clear as to what will become of these improvements when the sale is made.

Pioneer Citizen on Visit to Canyon to Meet Old Friends

Mr. and Mrs. A. M. Lewis spent Thursday in Canyon visiting with pioneer settlers in Canyon.

The Lewis family came to the Plains in 1889. They lived in Canyon from 1903 until 1910 when they moved to Portland, Oregon, where Mr. Lewis engaged in business until recently when he retired.

They are in Amarillo to spend the summer with two daughters, and expect to return to Canyon to visit with other pioneers whom they missed on their trip last week.

Seniors Resume Traditional Trip To Carlsbad

The seniors of W. T. took the annual senior trip to Carlsbad Caverns last week end. They left Friday morning and returned Saturday night. A bus was chartered for the trip. Besides the class, Mrs. Bryan McDonald, Mrs. Paul Funston, Mrs. T. H. Knighton, Mrs. H. Miller, Mrs. Irving SoRelle, and Mr. Milton Morris made the trip.

This is the first year the seniors have gone to Carlsbad since the war. In the last few years they have gone to Ceta Glenn for a week-end.

Bobby Dowd, who has been taking V-12 Navy training at Southwest-ern, arrived at the parental J. C. Dowd home last Wednesday with his discharge. He has been in training since June of 1945.

N. E. McIntire was called to the bedside of his mother at Nocona, Texas Sunday. She has been seriously ill for some time, and has become worse.

Discharged

Major Roger M. Francis was released from active duty April 18, after having been in the service since May 16, 1942. He served for more than two years in the Asiatic-Pacific.

Sgt. Roland M. Pryor was discharged April 22 at Fort Sam Houston after having been in the service 4 1/2 years. He spent more than 8 months in the Asiatic-Pacific.

Sgt. Ray Talmage Bosley was discharged April 20 after having spent 17 months of his 28 months in the service in the Asiatic-Pacific.

Cpl. Eugene S. Bonds was discharged April 16 after having spent 17 months in the Asiatic-Pacific Area. He entered service March 18, 1944.

T-4 Alfred E. Spencer, who was discharged April 15 after 25 months in the army, had spent 9 months in the Asiatic-Pacific.

Cpl. Virgil L. Walton, who was discharged April 13, had spent approximately 17 months in the European Theater. He had served 31 months in the Army Air Forces.

T-Sgt. George A. Gwyn was discharged April 23 after having served in the Infantry for 2 years and 8 months. He spent nearly 1 1/2 years in Europe.

S. Sgt. Loyd L. Jobe was discharged April 20 after serving 2 years with the infantry, 6 months of which time was in Europe.

Edwin Metz LaFollette, specialist (Physical Tra. Instr.) 2-c was inducted January 2, 1945 and received his discharge April 27, 1946.

Roger Clement Dugan, S 1-c, was discharged April 24 after having served in the Navy since January 13, 1944. His overseas service was in the Asiatic-Pacific.

Steak Dinner Was Given By Fellowship Class of Men

A delicious steak dinner was enjoyed by members of the Men's Fellowship Class of the Methodist Church Thursday night. This dinner was the climax of a friendly contest conducted within the class between two opposing teams headed by Slim Johnston and Delbert Lowes. Though Slim and his boys held the lead throughout the quarter, Delbert and his followers surged ahead on the last day, taking the lead by a narrow margin.

The steak dinner was furnished by Johnston's group as a reward to the winners for their fine work. Fifty-nine men attended the meeting. The men's quartet furnished special music, and the entire class participated in group singing.

Rev. Hubert Thomson, teacher of the class, acted as master of ceremonies.

Painter Dies As Result of Fall

Arthur Rutherford died last week as the result of a fall at the T. J. Cochran home. He was painting the roof, and fell to the ground.

Rutherford was a single man and had been working around Canyon for several months. He made his home at the C. W. Dunn rooming house.

The body was taken to Crescent, Okla., for burial.

Mr. and Mrs. Bill Heizer spent the week end in Borger.

Revival Services Are Started at the Methodist Church in Canyon

REV. ORBIN TURNER
Evangelist

The revival meeting begins at the Methodist church Wednesday night with Rev. Orbin Turner, pastor of the Littlefield Methodist Church, doing the preaching. A graduate of Southern Methodist University, Rev. Turner has held some of the leading appointments in the North Texas Conference. Last November, he transferred to Littlefield, where he is enjoying a very successful ministry. He comes to us highly recommended as a forceful preacher and evangelist. The public is cordially invited to hear him.

Special group meetings will be conducted for children, high school students, college young people, and adults each evening at 7:00. The singing will begin for the evening preaching service at 7:30. Morning services will be conducted each week-day morning except Saturdays at 10:00. The revival will continue through Sunday night, May 12.

Bicycle School Starts Tuesday

Boys and Girls Who Ride Bikes Are Asked to Get Instruction From Officers

A bicycle school started Tuesday, sponsored by the City of Canyon in cooperation with the State Highway Safety Department.

John Nun and Jack Miller of the State Highway patrol with the cooperation of Sheriff M. E. Cantrell are directing the instruction and will administer the tests at the end of the school.

On Tuesday the children owning bicycles met in the Education Building of West Texas State with the Highway officers for instruction in traffic regulations for bicycle riders. Following the instruction the officers checked the safety of the bicycles and suggested repairs that were needed to make all the wheels safe, and then gave instructions on the skill track.

Practice for the week is under guidance of the physical education department of the College.

Next Tuesday officials will give tests to the riders.

Through this week of bicycle instruction it is hoped that riders will learn to ride more carefully and more skillfully thereby reducing the possibility of accidents in Canyon.

Joyner Motor Co. Leases Building of Wm. Schmitz

The Joyner Motor Co. has leased the Wm. Schmitz building on Fourth Avenue. C. L. Joyner, owner of the business, is having the building remodeled for the sale of Chrysler cars. A partition is being run across the front of the building for a display room and office.

Mr. Schmitz will become shop foreman in charge of the repair department, which will be located at the rear of the building.

Mr. Joyner states that he hoped to receive a number of cars for the year, but the strike situation will govern the number that will be allotted to him.

Grand Jury Was Instructed For New Spring Term

The spring term of district court opened Monday.

Judge Henry S. Bishop instructed the grand jury, which was in session for one day, and then adjourned subject to call.

Two indictments were returned by the grand jury.

Members were: Newton Crain, foreman, E. L. Barnett, Raymond Batenhorst, Joe Baber, W. C. Black, Roy N. Byrd, Arthur K. Goodman, Albert Byars, Ed Bourn, J. O. Parker, O. A. Blankenship, Glenn Dowlen.

Cpl. Marvin Albers, who is stationed on the east coast as a Military Police, is spending a furlough with relatives and friends.

Miss Ann Harvey and Miss Rosalie Friend were visitors in the Bryan McDonald home last week.

Mrs. A. P. Broiles from Carbon, Texas is visiting her sister, Mrs. W. D. Boland.

Foreclosure On Palo Duro State Park Will Be Made on June 6

Some Wheat Is Helped by Rain Sunday, Monday

Canyon received light rains Sunday and Monday nights. The moisture measured .27 of an inch Sunday but only .08 of an inch Monday night. Moisture over the county for this period ranged from zero to more than half an inch.

Total moisture for the month of April was 1 inch, and for the first four months of the year 3.31 inches.

So far very little wheat has been plowed up. However, it is reported that unless heavy rains fall this week a considerable acreage will be plowed under. Farmers state that about half of the wheat in the southeast section of the county will have to be plowed under if conditions do not change rapidly. This section of the county is the hardest hit by the continued drought.

The wind changed to the north Wednesday morning dropping the temperature rapidly during the morning. While the weatherman predicted there was no danger of a freeze Wednesday night, long time observers were fearful that this could occur with the cold wave rushing in. (The News goes to press Wednesday afternoon and no later report can be printed).

College Students Named on All of Publications

Officially appointed by President J. A. Hill today following nomination by the Student Senate, Kate McCulloch, Ellen Sanders, Johnnie Cresens and Frances Harp, all next-year sophomores, will direct West Texas State College publications during the 1946-47 regular term.

Business manager of The Prairie this semester and assistant business manager last semester, Miss McCulloch will take charge next fall as editor of Le Mirage. During her years in high school at Plainview, she worked with both the editorial and business staffs of the annual.

Experience preparing Miss Sanders for her position—business manager of Le Mirage—includes these titles: editor and business manager of The Eagle's Tale, Canyon high paper; editor of the high school yearbook; temporary business manager of The Prairie (first of fall session this year); and copy editor of Le Mirage. Member of Mary E. Hudspeth Honor Society here, she had the highest average among girls graduated by Canyon High School last year.

After a year as associate editor of The Prairie, Miss Cresens has been named to the editorship. First place winner last spring in state contests for high school journalists, she was editor of The Sandstorm, Amarillo High School newspaper, and salutatorian of the 1945 Amarillo graduating class. She belongs to Mary E. Hudspeth Honor Society.

New business manager for The Prairie, Miss Harp has worked this year on the editorial staff of the paper. While in Canyon High School she was a member of the editorial and business departments of the Eagle's Tale.

More Men Are Called by Army

On May 6 three men leave for induction into the armed forces. Louis Elmer Hartman, Lewis Emmett Hales and Carmen Maurice Scott will leave then.

Five men were called but only three were available.

For May 13 the call is for 8 men for physical examination. Only three will be sent: Harvey Floyd Kile, C. V. Morris and Duane Delbert Wesley.

RECEIVES SCHOLARSHIP

Vestel Odell, music major of 1944, has received a scholarship to the Juillard School of Music in New York City. Miss Odell has been a student there for several months. When in college, she was identified with nearly all the music organizations and was pianist for the Canyon Rotary Club.

O. A. Blankenship of Amarillo visited in Canyon Monday.

Mr. and Mrs. Alvin McDonald have gone to market this week.

Lien Holders Have Not Approached Local People on Taking Over the Park

According to the Amarillo Times, the Palo Duro Park will be sold on foreclosure on Tuesday, June 4. The sale will be held in Canyon, according to this report.

It has been known since last fall that foreclosure steps must be taken this year as the lien against the land would be outlawed. At that time an Amarillo organization asked to take over the operation of the park. Nothing was done until this week when representatives of the lien holders arrived in Amarillo to try to induce some organization to step in, take the property over, and continue the park.

No organization has been officially approached by the lien holders. However, several suggestions have been made.

It is reported that bonding companies would be interested in floating revenue raising bonds.

It has been suggested that West Texas State, the City of Canyon, or Randall county might be induced to take over the property on the basis of such bonds. However, none of the officials have been officially contacted with this in mind.

It is pointed out that the revenues at the present time would pay off such bonds. Lien holders have agreed to scale the debt of \$595,781 to \$292,209.94 if some political organization will take over the property.

It is not revealed in the newspaper article what would become of the improvements which were built by the federal government when four CCC companies were located on the land. These improvements were placed there on the supposition that the State of Texas owned the park. After a million or more dollars had been spent by the federal government on the land, the debt was discovered. It was demanded that the entrance to the park, and all improvements be deeded to the state. If this property is still held by the state and is not subject to the sale on June 4, it would seem that no one could successfully operate the park.

The whole question seems to be very much up in the air, but something may be worked out before the date of sale on June 4.

Henry F. Miller Attended State Meet Lutherans

Henry F. Miller, president of Trinity Lutheran Church in Amarillo, returned Tuesday evening from Houston where he attended the Texas District Convention of the Lutheran Church, which was conducted April 22-26. He made the trip with his pastor, Martin J. H. Hartenberger.

Dr. J. W. Behnken of Chicago, President of the National Lutheran Church body, told the 360 delegates of his recent trip to devastated and suffering Europe.

The Rev. E. A. Heckman of Waco presided at the sessions.

Prof. Theodore Hoyer, D. D. of St. Louis, Mo., presented the featured essay of "The Papacy."

Next year the National Convention will be held at the Palmer House in Chicago, Ill., in July. The Rev. E. H. Riese of Littlefield and a layman from Amarillo were elected as delegates to the next convention.

Many Rotarians at District Conference at Amarillo

Many members of the Canyon Rotary Club attended the district conference of the 127th district of Rotary held in Amarillo Sunday through Tuesday.

More than 600 Rotarians were registered.

At the closing meeting Tuesday, Mrs. Harris M. Cook was the guest of honor. Tribute was paid to the splendid work of Dr. Cook while he served the district as Governor last year. He is reported to be improving very satisfactory at the Veterans Hospital in Amarillo.

Ralph Davis on Terminal Leave

Ralph Davis, U. S. Marine first lieutenant now on terminal leave, visited the campus last week. A. W. T. graduate, he enlisted in the Marine Reserve while a student here. He was student manager of athletics.

Lt. Davis married Ellen Jo Allen-der of Dalhart and the couple has a son, Clifford, ten months old.

During most of the war, Lt. Davis was quartermaster at Camp Lejeune, N. C. His home is in Wichita Falls. His plans are not definite.

Mrs. Annie Evans of Tulla visited with her daughter, Mrs. Guy Ford, and her sister, Mrs. J. C. Dowd, last week.

Mrs. G. J. Ballard of Amarillo visited with her sister, Mrs. J. C. Dowd, two days last week.

Louis and John Reed from Wichita Falls visited in the A. D. Prater home over the week end.

Editorials

Three Russian newspaper men are in America to look us over. They have been told by our State Department to go wherever they please; see all that they want to see; ask any question that they wish. They will be guests of our government, but their tour will not be directed. Every city in the nation will be glad to have these visitors as their guests. This is the right spirit. If these men return to Russia to write the truth about America, great good will result. They have indicated their willingness to recommend the same treatment to American newspaper men. If fair minded American newspaper men may be induced to go to Russia without the too-frequent American braggart attitude, national barriers may be broken down in record time. Too often foreign correspondents assume the cynical attitude toward foreigners. Russia is unlike America, and we must accept what we find. We hope that the Russians will visit this section of the nation, and receive the welcome that the Panhandle always accords our visitors.

Senator Vandenberg, leading Republican statesman, has endorsed the loan to Britain as a necessity. Senator Taft, who has made himself rather obnoxious to both Republicans and Democrats, is opposed to a loan, but is willing to make a sizeable gift to Britain. We have been kidding ourselves about lend-lease and other loans to Britain. Taft is realistic on the matter of another loan. While this proposed loan is probably sound business and something that we cannot overlook; yet we think that Taft is right in not being willing to kid ourselves into thinking that we are making a loan. It will be a gift, regardless of what we claim for it.

The east part of the nation insists in kidding itself by going back to daylight savings. Since Sunday you have to search to find the time of your favorite radio program. No doubt the sponsors are equally upset about this silly change of time as the listeners.

We are not so sure that Henry Wallace will make a success of his plan to establish food banks over the nation. Under his plans people of Randall county would be called upon to leave canned goods or money at a designated place. The county chairman would then box up the food and send it to a depository where it would have to be repacked and gotten ready for overseas shipment. By the time the nation went through this red tape thousands of innocent people will have starved. It seems to us that the idea of Secretary of Agriculture Anderson is the most logical one: Elevators, wheat in the mills and elevators, and other foods in warehouses, and ship it NOW—not next month, or next fall. Regardless of how patriotic you and I may be, let's be honest and confess that there is just a little resentment about giving so much to foreign peoples who show their lack of gratitude by referring to Uncle Sam as Shylock. And on the other hand, while we know that our government is throwing money away by the billions on worthless enterprises, why not get this feeding job done while it can save lives, by using federal money rather than relying on the slow process of raising money by popular subscription? You remember that Nero fiddled while Rome burned instead of calling out the fire department.

Jimmy Allred is very unhappy. He threatens to run for governor again. He is peeved at Governor Stevenson simply because Coke uses his head; runs the affairs of Texas; and keeps his nose out of national affairs, with the exception of those affairs which affect the welfare of the people of Texas. Jimmy was a good governor. In fact he has held public office ever since he got his license to practice law. He has known only during the past couple of years what a tough time civilians have in making a living. Jimmy was a great follower of the late President Roosevelt. The President handed him a lifetime job, and then pulled the carpet out from under him by demanding that he run against Senator W. Lee O'Daniel. That was the toughest assignment of his life. Jimmy lost. He has had to make a living the hard way ever since. Now he threatens to run for Governor as he says Calculating Coke was not a loyal follower of FDR. The plot thickens. It looks as if we were going to have a big time in Texas this year.

We wonder just what will happen if OPA is killed? There are so many radically different opinions that the average man cannot but wonder who is right. One thing is sure and certain: We have an epidemic of black market operations which is hiking prices far above the reach of the average consumer. It makes us wonder if a return to legitimate business competition would not do more to hold prices in line than any of the useless and conflicting rules and regulations of OPA. These regulations are issued for lines of business by men who know little or nothing about the enterprise which they seek to regulate.

John L. Lewis has the United States government over the barrel, and no one in Washington will do anything about it. The coal strike is on, and industries are being shut down by the wholesale. This means the further postponement of vital goods. This means that millions of other unionized men will take the rap by being thrown out of jobs. The public is accustomed to going without consumer goods; but the workmen who are thrown out of jobs will have nothing to eat, unless fed by unemployment compensation—for which you pay the bill. Lewis has so far refused to tell what he expects in the way of advanced wages. His demand, which brought on the strike, is that the mine owners pay him, John L. Lewis, a 10¢ per ton royalty for all coal mined. This royalty would go into a so-called social fund to be used for the benefit of the miners. However, Lewis refuses to give the mine owners any say as to how or where the money shall be spent. If he wishes to kick off a half million dollars into a political campaign, Lewis will consider this a part of the program to uplift the miners. There is no telling how long the strike will go on. Lewis is the hard headed labor dictator who rules with an iron hand. He has no regard for either the public or the welfare of other workers throughout the nation.

If you were out on the streets Sunday morning you probably heard and saw the reason that so many parents are afraid of compulsory military training for 18 year old boys. A group of youthful soldiers, not more than 18 years old, went down the north side of the square. The vilest kind of profanity poured from their lips. If they had been citizens of Canyon, in civilian clothes, a dozen men would have stopped this disgusting display. But they were soldiers, in the uniform of Uncle Sam. Perhaps they used the uniform as a shield from civilian interference. Maybe these boys did such things before they became soldiers. But they did not live in a place like Canyon.

West Texas Judges and Commissioners met in Amarillo last week. Before the convention, the Potter County Commissioners Court passed a resolution asking machinery houses and other firms which make large sales to counties to please not bring liquor to the convention. It is reported that the very little was in evidence. The question naturally arises: Can a successful convention be held without liquor being served. While the Newsman does not indulge in liquor, and leaves this matter entirely to the sanity of his fellowman, yet we wonder as to what part liquor plays in the conduct of a successful convention. We still wonder.

Personally we think that the teachers of Canyon are entirely under paid. The board of trustees should increase these salaries, regardless of consequences. We remember the furor which was created when taxes were increased last year in order to keep the public schools going. But the teachers are the lowest paid professional workers in Canyon. We cannot expect the best service when teachers are forced to work at starvation wage.

OUR DEMOCRACY—by Mat

THRIFT—THEN AND NOW

THRIFT AS PRACTICED BY OUR FOREFATHERS WAS LARGELY AN INDIVIDUAL CONCERN. ITS PURPOSE WAS TO PROVIDE A HOME FOR THE FAMILY—ITS FUTURE SECURITY—AND TO HAVE SOMETHING PUT BY FOR A RAINY DAY.

THRIFT AS WE KNOW IT TODAY HAS A BROADER MEANING. WHEN WE PUT MONEY INTO U.S. SAVINGS BONDS, LIFE INSURANCE AND SAVINGS ACCOUNTS, NOT ONLY DO WE AS INDIVIDUALS PROVIDE FOR OUR FAMILY'S FUTURE, BUT THROUGH THE PRODUCTIVE USE OF SAVINGS WE CONTRIBUTE DYNAMIC FORCE FOR THE GROWTH OF OUR DEMOCRACY.

The name of Governor Stevenson has been filed by friends as a candidate for Governor. He has not acted, but will probably await the decision of Homer P. Rainey and Senator W. Lee O'Daniel. O'Daniel speaks at Houston Saturday, when he is expected to clear up the political uncertainty as to the race for governor. Petitions from every county in Texas are before the governor asking him to run. In Canyon we had only an hour to get names. 101 persons signed the petition to the Governor. At least 500 names could have been secured with a little more time. It is to be hoped that Stevenson will get into the race and weed out the small fry politicians who are seeking to run the Democratic affairs of the state—and we are naming members of the Democratic State Committee.

Talked to a new car dealer the other day. Here is what he said: "A new 1946 automobile of a popular make is priced by OPA at less than a 1942 model of the same car which might have been run 100,000 miles." Furthermore, if this dealer wished to put his new cars through the black market he could get \$3000 for a \$1,200 car. Where in the name of common sense does OPA get its ideas? Can you blame the House for virtually killing this agency which has assumed such dictatorial authority? America was built on the policy of free enterprise. Americans

like competition, and the fellow who performs the best public services at the lowest prices gets the business. Those birds in Washington who wish to regulate everything should read a few lines of history.

We are not surprised that the army is having a tough time regulating our soldiers on foreign soil. American boys do not want to be subjected to military regulations, excepting in time of war when the safety of the nation is at stake. Then they will fight—and how! Ask the Italians, Germans and Japs! They are good witnesses of the worthiness of the American soldier. What to do with our foreign obligations is one of the major problems of the administration. Those boys resent the idea of being policemen when they want to be farmers, or mechanics, or bank clerks, or engaged in lines of business that they like.

We see by the Miami Chief that Roberts County has declared war on dandelions. The County Agent has been instructed by the Commissioners Court to lead in the fight. The people of Randall County are interested in the result of this war, and if it succeeds more information will be sought. The dandelion is the common enemy of Randall county citizens who want to beautify their homes.

Mother's Day comes on May 12.

Get ready for Mother's Day by shopping our big store at Thompsons which has been assembled to fill your needs on this day.

This is the first time in four long years that Mother has been free from the fear of War. During these tragic years she has been called upon to sacrifice for her family; and has been in constant dread for the safety of her sons, who were facing bitter enemies.

In 1946 Mother's Day should mean more than ever before.

It is up to her sons and daughters who have been away; and to those of her family who stayed at home to show their due appreciation of Mother on May 12, by making her as happy as possible.

Thompson's is presenting a splendid array of gifts for this occasion. You're sure to find the perfect gift for your Mother among the suggestions

which we have to offer.

You are advised to do your Mother's Day shopping early.

PETITION IN BEHALF OF JOHN LEE SMITH FILED BY VETERANS

HOUSTON, TEX., April 8, 1946.

A group of 25 Harris County World War II veterans Tuesday sent a \$100. certified check and a petition requesting that Lt. Gov. John Lee Smith's name be accepted as a candidate for governor by the State Democratic Committee, William H. Potts, group leader, reported.

"We feel Lt. Gov. Smith has been a consistent advocate of those principles for which the youth of this country fought and died, especially the following points:

"1. That ex-servicemen must be given preference in all jobs, public and private, and that his honorable discharge should be the only requirement for employment. It should not be secondary to a union card."

"2. A Veterans' State Employment Commission should be created."

Lt. Gov. Smith announced for governor about a month ago. Presumably his filing fee already has been paid.

Mr. Posey identified himself as state commander of the Texas Veterans Political Council, a new organization with posts recently established in seven Texas cities.

He added: "John Lee Smith was the only prominent State Official who had the courage to oppose war-time strikes."

"He is the only candidate who now says that the veteran should be free to get a job without paying some labor racketeer for same."

Nowadays when you criticize the maid she asks "Do you want to make the rounds of the employment agencies again?"

The giraffe sleeps while standing up.

Pat Hill and Ledru Jacobs Are Wed in Amarillo Church

Miss Patricia Hill, daughter of Mr. and Mrs. Frank Hill of Tahoka, and Ledru Jacobs were married Wednesday evening at 5:30 o'clock in a double-ring ceremony at the Polk Street Methodist Church of Amarillo, with Dr. Neal Cannon officiating.

Miss Sue Sheffy was maid of honor and Jerry Jacobs, brother of the groom, was best man. About twenty relatives and close friends attended the wedding.

The bride, who was given away by her father, was dressed in beige gabardine suit with brown accessories and carried a corsage of gardenias. Miss Sheffy wore a green gabardine suit with brown and white accessories and red roses, and Mrs. Hill was attired in a black suit with flower accessories.

Miss Mary Hodges at the piano played "Claire de Lune" preceding the ceremony and the traditional wedding march by Mendelssohn for the processional.

Mrs. Jacobs, a sophomore in West Texas State, is editor of The Prairie and a member of Gamma Phi sorority. The bridegroom, a junior from Spearman, is a member of the

Buffalo T-Club and a veteran of World War II.

Una Faye Shipley Becomes Bride of Louis A. Irish

Miss Una Faye Shipley, daughter of Mr. and Mrs. L. S. Shipley of Ropesville, became the bride of Louis A. Irish, son of Mr. and Mrs. R. G. Irish of San Francisco, Calif., on April 22 at the First Baptist Church in Canyon. Dr. Roy L. Johnson, pastor, officiated. Bridal attendants were Misses Louise and Catherine Conatser of Canyon.

The bride was attired in a gray street-length dress, complimented by a corsage of gardenias. Her accessories were black.

Mrs. Irish is a sophomore Education major at West Texas State College, and the bridegroom recently was discharged from the army.

After the present school term, the couple will make their home in San Francisco.

Miss Annis Smith Weds in Amarillo

Annis Smith, graduate of West Texas State with an intermediate education degree and currently a teacher in the Amarillo Public School system, and Charles L. Dunham of Fort Worth were married on April 18.

Dr. Neil D. Cannon, pastor of the Polk Street Methodist Church, read the service in the home of the bride's mother, Mrs. A. M. Smith, Amarillo. Miss Virginia Wisdom and B. R. Weeks were attendants.

At the close of the school year the couple will be at home in Fort Worth.

MRS. R. E. MCCORMICK HOSTESS TO ZITA H. D. CLUB

The Zita Home Demonstration Club meeting with Mrs. R. E. McCormick opened with the singing of "Aunt Dina's Quilting Party." Roll call was answered by "First Aid Do's and Don'ts." Mrs. McCormick gave a demonstration on "Bandages." Mrs. H. D. Rose gave a talk on "How to Stop Bleeding." (Pack nose with gauze that has been saturated with Witch Hazel). Mrs. J. P. Upchurch talked on "What to Do in Case of Poisoning." (Take one teaspoon of mustard and one teaspoon of salt in glass of water and call your doctor).

In addition to the regular program, a back program was given by Mrs. E. Michael on "Curare" a new discovery for paralysis and diseases of the mind.

The club is financing a trip to College Station for Anita Carol Ruthardt, Zita 4-H Club girl. Anita Carol will go to College Station with Miss Lou Ella Patterson early in May. While there she will serve on a committee to plan the program for a state 4-H Club short course to be held this summer.

Refreshments of moulded chicken salad, strawberry short cake and coffee were served to the following members: Mrs. Owen Pyatt, Mrs. Ervin Michael, Mrs. D. C. McCormick, Mrs. H. R. Fulton, Mrs. H. D. Rose, Mrs. Ralph Ruthardt, Mrs. M. H. Rockwell, Jr., Mrs. J. P. Upchurch, Mrs. Wayland Angel, Mrs. M. H. Rockwell, Mrs. Forrest Gruner, Mrs. W. S. Bennett, guest; and the hostess.

The next regular meeting will be May 14 with Mrs. D. C. McCormick. This will be a covered dish luncheon.

FIRST AID IS STUDIED BY RALPH H. D. CLUB

Twenty members of the Ralph Home Demonstration Club and one visitor met in the home of Mrs. Glenn Dowlen, April 24.

After a business meeting, Mrs. Lill, Mrs. Robinson and Mrs. Jennings gave interesting talks on first aid; then a round table discussion was held.

A free-will offering which amounted to \$10.00 was made by the members for the cancer fund.

The next meeting is expansion day and will be at the home of Mrs. Lonnie Byars.

Refreshments of cherry pie topped with ice cream, salted nuts, and punch were served to the following members: Mrs. Burrum, Mrs. Adcock, Mrs. Jennings, Mrs. Cox, Mrs. Elkins, Mrs. Gist, Mrs. Gooch, Mrs. Henry, Mrs. Hill, Mrs. Hungate, Mrs. Johnston, Mrs. Lill, Mrs. Miller, Mrs. Persons, Mrs. Ratjen, Mrs. Robinson, Mrs. Jones, Mrs. Horn, Mrs. Byars, and Mrs. Malcolm Chaswell, visitor.

STONE AND GIBSON ENTER- TAIN YOUNGER SET

Thursday afternoon Mrs. Kenneth Gibson and Mrs. Harley Stone entertained the younger wives at bridge in the new home of Mrs. Emanuel Jarrett at 2615 Fifth Avenue.

Narcissus, tulips and spirea were used to decorate the house.

A salad plate and ice tea were served to Mrs. Hal Harrison, Mrs. Jack Taylor, Mrs. Lee Russell, Mrs. Bill Sternberg, Mrs. Jack Haley, Mrs. Meredith Warren, Mrs. Alwyn Williams, Mrs. Elsworth Barnard, Mrs. Bob Beilah, Mrs. Bob Orton, Mrs. Chris Wooten, and Mrs. Ed Bagot of Amarillo.

Mrs. Orton won high score and Mrs. Wooten low.

FARM

LOANS

don't fit so well either...

Too many farm loans are made today as though every farmer's needs are the same as his neighbor's. Or, what is just as bad, terms are based on the lender's bookkeeping system, not on your requirements.

Now, through our special arrangement with The Equitable Life Assurance Society, farm loans from this bank are tailor-made to fit your individual needs as they should be.

WHAT ARE YOUR SPECIAL NEEDS?

Do you want to pay more in the beginning and less as you grow older? Choose one of the 5 new Diminishing Payment Plans.

Do you have heavy obligations now and want the smallest payments possible? Select one of the 5 Constant Payment Plans.

Are you certain you can pay off your loan during the next few years? Take your choice of 4 short-term plans.

Each plan can be adjusted to meet special situations. Payments can be made when crops or livestock are ready to sell. And, if you change your system of farming and want to pay at some other time, that will be cheerfully arranged without penalty or cost to you.

All of these plans have the Farm Income Privilege to help you own your farm free and clear sooner, and the Prepayment Reserve to protect your investment.

Don't be satisfied with an ordinary loan when you can have one from this bank that gives you more, yet costs less. Ask for full details. No obligation.

CENTERVIEW H. D. CLUB STUDY POISON FIRST AID

Regardless of the kind of poison taken a doctor should be called immediately. If the poison can be removed from the stomach before it is absorbed, recovery is usually rapid—after it has been absorbed into the body, there is little the doctor can do. A good slogan for first aid treatment for poisons might be "flush, drain and refill."

1. Flush by giving a quantity (4 to 7 glasses) of liquid to dilute the poison. Soap suds, warm salt water, warm soda water or plain warm water may be used. Milk may be given for corrosive poison (lye, cresol).

2. Drain by inducing vomiting. 3. Refill the stomach with fluid and induce vomiting repeatedly until the fluid returns clear.

4. If the poison taken was corrosive, give soothing drinks such as milk or milk and raw eggs beaten up together after the stomach has been emptied.

5. If symptoms of shock are present, (extreme weakness, pale face, chill, cold perspiration, weak pulse) keep the patient lying down; cover him with warm blankets and apply hot water bottle, well wrapped and carefully tested against the face to see it is not hot enough to burn. A patient suffering from shock burns easily.

6. If the poison was a sleep producing drug, keep the patient awake but do not exhaust him with exercise. Give him a cup of strong coffee every half hour.

The Centerview Club was told this

by Mrs. Dellas Zachry in her talk on poisons Friday, April 19. This was a program on first aid and was in the home of Mrs. T. J. Myers.

The members enjoyed an all day meeting with a very delicious lunch at the noon hour, and worked on the tufted spread that is to be given away May 10 at a candidate rally at the Fairview church at 8 p. m.

The president, Mrs. A. E. Wise was in charge of the meeting. Mrs. Dellas Zachry resigned as secretary as she is moving to New Mexico soon.

It was decided to have a guest day at our next meeting which will be May 3 at Mrs. Serena Bryan's.

Those present were Mrs. A. E. Wise, Mrs. Dellas Zachry, Mrs. E. R. Coleman, Mrs. Serena Bryan, Mrs. Earl Wesley, Mrs. E. W. Schaeffer, Mrs. J. W. Wesley, Mrs. H. H. Shipman and hostess Mrs. T. J. Myers. One visitor, Mrs. Alvin Wesley was present.

PLEASANTVIEW H. D. CLUB MEETS WITH MRS. BROWN

"A knowledge of first aid procedures is part of every individual's responsibility to himself and to society," stated Mrs. A. B. Haynes to the members of the Pleasantview H. D. Club in their study of "First Aid," Thursday, April 25, in the home of Mrs. M. B. Brown.

Mrs. Tom Moore gave "Proper Bandaging." First Aid utilizes three types of bandages, "The Triangle Bandage (open and folded 'Cravat') Rolled gauze and four tailed."

"The function of the bandages," said Mrs. Moore, is to secure dressings in position, to pad splints and keep them in place, and to form slings for support.

"How to Stop Bleeding," was given by Mrs. Harold Heizer. "If an artery is cut the blood will spurt." Apply pressure between the cut and the heart to stop arterial bleeding.

The veins are more numerous than arteries, and are nearer to the surface of the body. Venous bleeding comes in a steady flow. To stop venous bleeding, apply pressure on the side away from the heart. Elevation and direct pressure with a compress may also be used.

"First Aid for Poisons," was given by Mrs. John Jennings. "Prompt care is of prime importance; dilute the poison taken with large quantities of fluid; make victim vomit, and continue dilution and wash-out until stomach is empty. If corrosive poison has been taken, give milk or milk and eggs to soothe the linings of the digestive tract. Give stimulant if shock is present (except in strychnine poisonings). Apply artificial respiration if breathing has stopped. With sleep producing drugs it is essential to keep the victim awake by giving hot strong tea or coffee. Call a doctor at once.

"Shock is a general depression of the nervous system and all functions of the body," said Mrs. Albert Meyer. It is caused by an injury, fear, severe bleeding, poisoning, suffocation and unstable nervous system. The treatment of shock is apply heat gradually, using blankets. Keep the victim in a horizontal position, feet elevated. Give stimulant of hot tea, coffee or spirits of ammonia. Avoid giving a mouth stimulant to an unconscious person.

A box of clothing material, needles and thread was brought by the members to send to the Philippines, and a case of canned food to be sent to the European countries.

At the close of the meeting lovely refreshments were served to: Mrs. J. D. Key, Mrs. Baker, Mrs. W. R. Moore, Miss Iris Dooley, Miss Betty Brown, guests, and the following members: Mrs. Albert Meyer, Mrs. John Jennings, Mrs. Ethel Dooley, Mrs. Henry Meyer, Mrs. Harold Heizer, Mrs. Morris Abbott, Mrs. Earl Burtz, Mrs. Lynn Heizer, Mrs. W. L. Browning, Mrs. Tom Moore, Mrs. Bob Robbins, Mrs. R. N. Cook, Mrs. Billy Brown, Mrs. A. B. Haynes, and the hostess, Mrs. Brown.

The next meeting will be in the home of Mrs. R. N. Cook, Thursday, May 9. This will be the club's Expansion Meeting, each member is to bring a guest.

EDGETOWN H. D. CLUB MEETS WITH MRS. FOSTER

First Aid was the subject about which 16 club women answered roll call when the Edgetown Home Demonstration Club met Friday, April 26 at 3:00 o'clock in the home of Mrs. R. E. Foster.

After two songs and the reading of the Collect for club women, Mrs. L. L. Gore entertained the group with a short but interesting opening exercise.

In the absence of the club president, Mrs. Fred Marshall, the vice-president, Mrs. T. M. Thurman, presided over the business session.

Mrs. Doug Marshall acted as program chairman. Useful and instructive first aid points were brought out in a round table discussion with Mrs. E. C. Penick, Mrs. L. L. Gore, Mrs. Penny Cox, and Mrs. Thurman taking special parts.

Using Mrs. Foster's sewing machine, Mrs. S. R. Hood gave a demonstration on how to clean and adjust sewing machines.

Refreshments were served to Mrs. Anthony, Mrs. Wester, Mrs. Dowd, Mrs. Doug Marshall, Mrs. Penick, Mrs. Cox, Mrs. Thurman, Mrs. Reid, Mrs. Fain, Mrs. Wright, Mrs. Hood, Mrs. Gore, Mrs. Phillips, and the hostess, Mrs. Foster.

The next meeting will be in the home of Mrs. John Gamble, 2310 8th Ave., May 10, in which the second meeting of the month will be carried out, as Miss Patterson will not be able to meet with the group on May 10 but will attend the May 24th meeting.

Please do not forget to bring your contribution of cotton garments, (such as towels, feed sacks, women's and children's dresses, underwear, socks, needles and thread), to the next meeting as we would like to finish this part of our work and get the box shipped to the Philippines as soon as possible.

MRS. W. S. MYERS HOSTESS TO SOCIAL PIONEERS

The Social Pioneers met Thursday, April 25 with Mrs. W. S. Myers. The meeting opened with the new president, Mrs. E. C. Penick presiding. She gave some information about the organization, purpose and naming of the Social Pioneers.

The group sang the club theme song, "Home on the Range."

After a short business meeting, the program chairman, Mrs. L. E. Simms, announced the following numbers: "The Inventor's Wife" by Mrs. R. D. Lowry; "Pioneers" by Mrs. Myers; "Aunt Doleful's Visit" by Mrs. Simms; "We Killed a Bear" by Mrs. Penick; "April Day" and "What I Live For" by Mrs. R. E. Foster.

The summer meeting will be the annual picnic, this year at the home of Mrs. DeGraftenried.

The hostess served dainty refreshments to Mrs. R. E. Westbrook and son, Mrs. E. V. Holman, Mrs. G. B. Bourland, Mrs. Addie Hefner, Mrs. Augusta Hancock, Mrs. W. E. Laughery, Mrs. E. C. Hawes, Mrs. R. M. Gibbs, Mrs. I. M. Steen, Mrs. T. V. Slack, Mrs. Simms, Mrs. Foster, Mrs.

PRESBYTERIAN CHURCH HONORS CANYON TEACHERS

At 5:00 o'clock Sunday afternoon members of the Presbyterian Church honored the teachers of the Canyon Public School and the West Texas Demonstration School with a program tea in the church parlors.

This tea was in some measure to show the appreciation of the church for the loyalty of Christian teachers in the effort to assist home and church to mould the lives of the youth of Canyon.

"America" was sung in unison to open the program. Mrs. Robert W. Jones read an appropriate poem. Herschel Coffee, accompanied by Mrs. Coffee, gave a violin solo. Rev. Robert W. Jones gave a short and impressive appreciation to the teachers.

Punch, brownies and finger sandwiches were served the guests from a lace covered tea table that was centered with purple iris flanked by white tapers in crystal candle holders.

TEXAS UNDER SIX FLAGS TOPIC FOR BOOK CLUB

The Woman's Book Club met Wednesday, April 24 at which time the program was given by Mrs. S. B. Louder on "Texas and its Development Under Six Flags"; and by Miss Isabel Robinson who talked on "Texas Arts and Artists."

A short business meeting was conducted by the club president, Mrs. Fred Standley.

Those present were: Mrs. Alfred Bellah, Mrs. A. W. Sternberg, Mrs. D. A. Nicholas, Mrs. I. C. Jenkins, Mrs. C. M. Dowlen, Mrs. W. T. Oliver, Mrs. A. A. Clark, Mrs. S. H. MURRAY BIBLE CLASS HAS PIE SUPPER SOCIAL

At the regular social of the Murray Bible Class of the Methodist Church Monday night, 30 members and guests of the class held a pie supper before games of "42" were played.

Milton Morris as auctioneer sold the pies for a total of \$25.75. The class will use this money to buy

song books and other supplies. Recently the class has bought Bibles for each room at the Neblett Hospital.

Celebrating Miss Valeta Haines' sixteenth birthday, Saturday, April 27, Misses Geneva McDougal and Martha Jean Aven entertained twenty-one guests with a lawn party at the W. L. Aven home.

Games were played, and after Miss Haines opened her gifts, refreshments consisting of sandwiches, potato chips, and iced tea were served. Then the hostesses presented Miss Haines with a lovely cake bearing the inscription, "Sweet Sixteen, Valeta."

Guests present were: Valeta Haines, Billy Abbott, Janey Forrester, Richard Walters, Fannie Alice Pierce, Bill Davis, Frances Standley, Max Bellah, Nancy Ann Nicklaus, Charles Wright, Sue Gillispie, James Guthrie, Nila Davis, Wayne Davis, C. L. Hood, Juanita Aven, James Inman, Easton Wall, Clifford Burtz, Austell Burrus and Marvin Pite. Unable to attend were: Joan Mor-

ton, Martha Wilson and Scharlean Pyeatt.

The parents who attended were: Mrs. Gladys Haines, Mr. and Mrs. J. J. Wright and Mr. and Mrs. Aven.

O. E. SHEARA HOME SETTING FOR PROGRAM ON FIRST AID

The Park Home Demonstration Club met in the home of Mrs. O. E. Sheara, Thursday, April 18. Roll call was answered with "What I Think First Aid Means." Mrs. G. A. Colling gave demonstrations on proper bandaging.

Mrs. Flynn Winters told many ways of stopping bleeding. Mrs. Herrick Simon gave a dramatic account on "First Aid for Poisons."

The following council report was given by Mrs. Colling: Pineapple for the Randall County Clubs are due in about May 15, and orders were taken for these. The club was asked to send clothing and food for relief and to help rebuild the world. Each

member was asked to bring an article of clothing to the May 2 meeting for a box to send to the Philippines.

National Home Demonstration Week is to be from May 5 to May 12.

Refreshments of punch, jelly roll and jello were served to the following: visitors, Mrs. L. J. Raymond, Marguerite and Bobby; members, Mrs. Frank Simon, Mrs. O. E. Wineinger, Mrs. Colling, Mrs. Herrick Simon, Mrs. Leonard Winters, Mrs. Flynn Winters, Mrs. Kenneth Erwin, Mrs. C. T. Burch, Mrs. W. A. Bishop, Mrs. J. V. Williams, Master John Winters, Misses Barbra Erwin, and Myrtle Frances Sheara and the hostess.

PARK H. D. CLUB PLANS BETTER COOKBOOKS

The Park Home Demonstration Club is striving to make bigger and better cookbooks for the year. All old non-useable recipes are being discarded.

Each member is trying to add a new recipe to her book every week. All successful recipes are to be presented to the club.

Items of interest to the housewife are clipped out and placed in an envelope in the book. The household hints and tips are placed in a separate addition in the back.

Menus and diets for members of each family are studied and meals prepared accordingly. Books are to be inspected by members of the club before the close of 1946.

FRIENDS CELEBRATE BIRTHDAY OF MRS. JESSIE REID

On Monday, April 29 a few old time friends of Mrs. Jessie Reid gathered at her home to help celebrate her birthday.

Mrs. Reid's daughter, Mrs. P. F. Hicks, assisted by Mrs. Ellen Moore, Mrs. Grace Knighton and Mrs. Lorenzo Wirt prepared a turkey dinner with all the trimmings.

The table was centered with a beautiful birthday cake that had been sent Mrs. Reid by her daughter, Mrs. Cecil Barron of Lamesa.

Mrs. R. D. Lowry directed entertainment for the group. Humorous experiences of the guests were related.

Invited guests included: Mrs. Addie Heffner, Mrs. C. Anderson, Mrs. G. B. Combs, Mrs. J. D. Key, Mrs. B. P. Fronabarger, Mrs. Lowry, Mrs. T. T. Pain, Mrs. E. B. Anthony, Mrs. L. Lockett, Mrs. W. H. New Building Program to Get Under Way Here This Week

Two Barracks Given WT by Government

West Texas State's acute housing problem appeared on the way to solution this week as new structures were started, two barracks-like dormitories were given by a federal agency, and college heads adopted plans for a long-range building program in Texas.

Two large frame barracks at the Cactus Ordnance Plant, near Dumas, have been given West Texas State by a federal housing authority and will be moved here at once to house college men.

Each of the two-story barracks was built to house 60 men. Each floor has a bathroom and each unit has a steam radiator heating plant. It probably will be necessary to cut the buildings in two parts for moving.

The government is giving the

structures to the College with no strings attached, Dr. Hill said.

Will Be Permanent

When materials for remodeling are available, the barracks probably will be brick veneered. The foundations will be constructed with a projecting ledge for this purpose. Location of the units probably will be east of Conner Hall, the new dormitory for veterans which will be erected at the north side of the campus.

Dr. Hill said the College may receive additional barracks and similar structures to assist in meeting the local housing shortage. He expressed satisfaction in the outright ownership of the barracks which, unlike the trailer houses, may be remodeled and furnished as desired. The Federal Housing Authority receives the rent from the trailers and it fixes the amount paid by the renters. Moreover, the Authority may remove the units whenever it desires.

To Start New Buildings

The housing shortage, already acute here, is expected to be much worse in the fall as veterans seek advantages of the G. I. Bill. New faculty members are experiencing great difficulty in finding living quarters.

Excavations for the foundations of a new dormitory for men and the all-college cafeteria will be started this week by C. S. Lambie of Amarillo, contractor.

Work will continue as rapidly as

materials can be obtained.

Work on the annex to Randall Hall has been slowed by non-arrival of face-brick. A shipment of steel long overdue has been received.

Million Dollars in Sight for W. T.—If

West Texas State would receive approximately \$100,000 a year for ten years should a proposed constitutional amendment be submitted by the Texas Legislature and approved by the voters.

President J. A. Hill returned last week with this news from a meeting of state college presidents and representatives of the board of regents in Austin.

Voters Must Approve

The Legislature will be asked to submit to the voters an amendment to provide constitutionally levied funds for permanent improvements on state property. The proposed amendment would not increase the tax levies now already authorized by the state constitution, Dr. Hill said, but would transfer certain surpluses to the colleges to meet their acute needs for buildings.

The levy involved is that providing funds for the maintenance and support of Confederate veterans and their dependents. The constitutional levy is 7 cents, but at present only 2 cents is being collected. Even this small levy is producing a surplus. Under the proposed plan, the full 7-cent levy would be made and the surpluses would be used for college buildings.

Proposal Endorsed

Texas A. & M. and the University of Texas would not share in this plan, but the proposal has been endorsed by authorities of both institutions.

The allocation of funds, based on enrollments of the last nine years, would give West Texas State approximately one million dollars in the next ten years.

Owens Wins Trip as Red Cross Delegate To Philadelphia

Suzanne Owens, member of the eighth grade was elected to represent the Randall County chapter at the Junior Red Cross Council, which is made up of teachers and mothers from the two schools in Canyon, met earlier last week to select the delegate for the meeting. The council voted to choose a girl from West Texas State Demonstration School this year, and from Canyon Public school next year. The two girls chosen from the Demonstration School, as possible delegates, Charlotte Clark and Suzanne Owens, were presented to W. T. assembly Wednesday, April 24, and Suzanne was selected by popular vote of the entire student body.

The expenses of the delegate will be paid by the Randall County Chapter. This is the first time the convention has met since before the war.

County to Benefit By Money Spent on Rural Repair Jobs

Expenditures totaling more than \$167,000 will be made in the next few years by home owners on farms and in small communities of Randall County to improve present electric service and home plumbing.

These outlays will mean additional income to practically every local business and will finance additional wiring, bathroom improvements and new electrical equipment for the county's 421 farm and rural homes already served with electricity, according to a study released by the Tile Council of America.

Introduction of running water, installation of tiled bathrooms and replacement of out-moded plumbing fixtures head the list of most wanted farm home features, D. P. Forst, chairman of the Council's Residential Construction Committee, revealed. One in five farm families throughout the nation plan bathroom improvements, he added.

Additional wiring is needed in practically every farm home with electricity, according to the study. A huge market likewise exists for milking machines, quick freezing units, electric motors, baby chick brooders and other equipment.

Expenditures in the county are part of a \$94,617,000 program to be undertaken by Texas farm and rural home owners in the next five years, the study revealed. An estimated \$2,294,900,000 on similar improvements to present electric service will be spent in the nation during that time.

Frosh Haley Attends Historical Society

Evetts Haley, a W. T. freshman attended an annual meeting of the Junior Historical Society of Texas in Austin Saturday, April 27. The organization is sponsored by the History Department of University of Texas. Evetts read a paper on the program entitled "Adobe Walls." He punches cattle on the Haley Ranch just three miles from the site of Old Adobe Walls. Mr. and Mrs. Haley accompanied their son on the trip to Austin.

10-Year Stay in Reich Predicted

New German Commander Favors Stern Policy Toward Nazis.

FRANKFORT, GERMANY.—Gen. Joseph T. McNarney, newly designated commander of American forces in Europe, predicted that the Allied occupation of Germany would continue for at least 10 years, the United Press reports.

General McNarney recently held his first press conference since his appointment to succeed General Eisenhower. He told the newspaper men that there was likelihood that an occupation would last much longer than 10 years. This would give the Germans time to establish themselves along democratic lines and to perfect a self-supporting economic program, he said.

General McNarney said that he strongly favored the plan for the families of occupation troops to join them as soon as possible, where soldiers are the heads of such families, although he did not want them to come this winter.

No Sympathy for Nazis.

General McNarney's firm reiteration of a strict denazification program for Germany crushed the hopes of thousands of Germans who thought that they might get lesser penalties because they were only so-called "nominal" party members.

The general said that he had no sympathy for Nazis of any sort, whether they were active party members or "whether they joined the party through the necessity of feeding their wives and children."

"I have not forgotten who started the war," he said. "The German people must realize that they are responsible, and that their debt has not been paid."

He then repeated General Eisenhower's military government law No. 8, which bans the appointment of Nazis to civil or private supervisory positions.

General McNarney said he had no plans for Gen. George S. Patton, former 3rd army commander who was replaced after criticism of his denazification policy, except to permit him to finish his task with the 15th army, which is compiling a minute study of the military history of World War II.

Unification Big Problem.

Discussing the future for Germany, he said he believed the biggest problem would be co-ordination of a common policy under the four-part occupation council for an eventually unified government of Germany.

A "long, hard pull of many years" lies ahead before the European living standard as a whole reaches prewar levels, he said.

General McNarney revealed that President Truman at present was seeking a suitable civilian for governor of Germany, as civilians rather than the military are scheduled to take over the job, probably beginning about June 1.

He said that his policy would be to release officers of long service as soon as possible for their return to the United States. As soon as possible meant, he explained, as soon as competent replacements are available from the United States.

Correspondents, he said, will be allowed full freedom of the press at his headquarters and in the occupation zone. He indicated that he would remove present restrictions that force correspondents to seek all information from specified department appointees instead of talking with officials directly connected with the story involved.

U. S. to Study German Artificial Leg Method

BATTLE CREEK, MICH. — The war department is sending a commission to Germany to study new developments in artificial limbs, it was revealed recently by Secretary of War Patterson.

The commission will evaluate work being done in Germany with a prosthesis which actually is attached to the wearer's muscles. A few German patients may be brought back for further study here, Patterson said.

Visiting at Percy Jones hospital center, Patterson talked with G.I. amputee patients.

Washington Monument Is Again Tops for Visitors

WASHINGTON. — The Lincoln Memorial has lost first place in popularity with visitors to Washington, the National Park service disclosed.

The Washington Monument now occupies the top spot in number of visitors. The Lincoln Memorial, which was first last year, dropped to second place and the Thomas Jefferson Memorial remained in third.

Yank Colonel Says He Has Hitler Napkin Ring

CAMP SHANKS, N. Y. — The 208th field artillery group arrived from Europe to disband. Its commanding officer believed he had Adolf Hitler's personal napkin ring in his pocket.

Col. Eric A. Erickson said he found the silver ring, engraved with the initials "A.H." in German script in a pile of rubbish when his unit went through Hitler's mountain home in Berchtesgaden.

Baptist Sunday School Breaks Another Record

Virgil Henson, superintendent of the Sunday School at First Baptist Church, reports an average attendance of 448 for the month of April, which is a nice increase over the previous high monthly average of 409 set last October. The average gain for eight months is more than 40% above that of two years ago, and he is urging his nearly fifty officers and teachers to continue to work for still more gains, believing that an enlistment of many people in such a systematic study of the Bible will help build a better community and a better world.

Pastor Roy L. Johnson will preach at both hours Sunday, May 5, which will be his last for the month since he will be away attending the annual meeting of the Southern Baptist Convention and visiting mission fields in Cuba the remainder of the month.

Bright Presents Spring Concert

West Texas State College Choir and the College Double Sextet, under the direction of Houston Bright, gave a Spring Concert in the high school auditorium, Thursday, April 25, at 11:15 o'clock.

Consisting of 32 carefully selected voices, this choir is the first the college has maintained since the 1941-1942 school year.

The Double Sextet is made up of twelve carefully selected voices. They sing "popular" arrangements of music on a higher level.

Songs sung by the choir were "Gloria Patri," "When All Alone," "She Is So Dear," "To Lovely Groves," "From Lyons As I Journeyed," "Climbin' Up The Mountain," "The Lost Chord," and "Now The Day Is Over."

The College Double Sextet sang, "Gee, It's Good To Hold You," "Jesus Joy Of My Endeavor," and "Sun Of My Soul."

These students: Jane Campbell, Wynema Robbins, Leora Mann, Ellen Root, and Bob Copeland, formerly attended CHS.

THREE CHEERS FOR SIX

Those white ribbons looked quite flashy when worn by the boys of our school last week. There was even a beautiful blue one, too. In case one is wondering all about the "whys" of this, these emblems just indicate who are the 1946 lettermen.

In order to represent our school in the Interscholastic District Meet, these boys presented themselves as candidates for the track work—had five weeks of hard training, and placed in several events, all to give our CHS a place on the sport's map.

We are proud of you, and we wish to say "Congratulations, Lettermen."

DOWN WITH THE DICTATORS!

He's every girl's dream man—the only guy on the football team—the band couldn't perform without him. The guy never has to crack a book; he said so himself. And Susie Q—what a kid! What clothes and what personality. Excuse us while we drool. These characters get away with murder while we stand by in awe and admiration. Just what do we admire in these forceful few who destroy the democracy in our school and practice dictatorship on our campus? Being a football hero is swell but let us remember as we pay our tribute, that there were other boys on the team, too! Take the spotlight off the "big shot" and let the rest of the boys get into the limelight for a change. As for Susie Q and her sharp tongue—anybody can be a bully!

Let's declare war on the dictators of our school. This is a democratic organization, not a monarchy! Pass the honors around. You who have been admiring their bluster and bluff, get up off your knees! Co-operating with an honest and intelligent leader who has consideration and respect for others is one thing; letting some "show off" influence your every thought and action is another.

If the shoe fits YOU, gad! May your feet grow!

Gradesters Repeat Flower Pageant

As a special favor to high school students, the grades gave a repeat performance of the operetta, "Why the Garden Quarreled" in the high school auditorium last Monday morning. Over 200 children, directed by Mrs. Hazel Stewart, who was assisted by Mrs. Joe Black, Mrs. Stella Murrel, Mrs. A. K. Goodman, Mrs. Isabelle Cousins, Mrs. T. W. Collins, Mrs. John Davis, Mrs. Mary Gillispie and Mrs. Tom Brasher, took part in the play. The colorful costumes were made by the children's mothers.

First, second, third, and fourth gradesters made the cast which consisted of fairies, brownies, raindrops, frogs, elves, rabbits, butterflies, weeds, pansies, blue bonnets, green lilies, flowers, gardeners, bees, roses, breezes, the sentinels, Jack, Clover, Spirit of Dawn, and the Queen.

One performance given for the parents was presented on Friday afternoon but as the high school students could not attend it, this repeat performance was given.

And now, is everybody ready for the weekly bed-time story? What shall it be tonight, kiddies—The "Three Bears" or "Red Riding Hood?"

What? No! No! No! That's my private copy of Esquire and you MAY not look at it! Goodness gracious you kiddies ARE growing up!

If you don't want to hear about "Bo Peep," then how would you like to hear about Geneva McDougal and C. L. Hood? Well, once upon a time (Saturday night) these two babes got lost in the woods (at Valeta's birthday party). That's all of it, I tell you now, pipe down! How should I know where Marvin Pite was?

Okay, okay, I'll tell you another one. Once upon a time (Senior Sneak Day) Billie Danner and Blake Zachry ran up the hill to fetch a pail of water. Blake fell down with no injury to his crown (?) and Alice Pierce came tumbling after.

I know! I know! I know! Billie and Blake had a fight and Alice came and according to last week's story she also went! I know all that, but this is this week's story!

Ollie? You want to hear about Ollie? I'm sorry kids, but I never heard of the guy. You might ask Odessa Scruggs. How about that Odessa?

In the spring, a young man's fancy lightly turned to thoughts of love. Robert "Romeo" Fisher's fancies turned to a certain sophomore from West Texas State College!

All of you math lovers (all two of you), can figure out the formula for this little triangle—Donnell Rutherford, Bobby Jean Ford, and Harold Martin.

Johnny Ford and Malcolm Gunter are doing just beautifully I hear. But what about Betty Schuette? Well, what about Betty Schuette? How did she get in here anyway?

Mary Ann Baker and Carl Crow are very interested in the unit on punctuation which the 7-2 English class are now studying. They're just like two hyphens. They decide to get together and make a dash. (To the show Friday night!)

Journalists Visit Printing Plants

Journeying to Amarillo, Friday, April 26, 13 journalism students of CHS were guests of two Amarillo printing associations.

Leaving at 9 o'clock in one of the school buses, the students arrived at the Amarillo Times office, and were directed on a tour of the building including the writing offices, teletypes, and the presses, by Roy Cheatham. Later the students visited the Amarillo Globe News, and Harry Hoare conducted them on a similar tour. Then the journalists left for Canyon, and arrived here at 3 o'clock.

Those students who went are: Ruth Prichard, Geraldine Small, Shirley Harrison, Guy Brant, Frances Gooch, Betty Ann Miller, Louise Dickinson, Anita Johnigan, Cheri Kilchriste, Joan Morton, Valeta Haines, Martha Jean Avent, Geneva McDougal, and sponsor, Mrs. Nora Gilmore.

FFA Club Banquets Forty-Eight Guests

Forty-eight parents were guests at a FFA Banquet, Friday night, April 26, in the basement of the Methodist church, given by their sons in the FFA Club of CHS.

The program consisted of the Invocation by Ervin Davis. Welcome by James Bible. Response by Earl Burtz, introduction of Johnny Ford, FFA Sweetheart, by James Inman, a talk, "FFA in Operation" by Malcolm Gunter, and an address titled "The Relationship of Father and Son and Mother and Daughter in Developing a Peaceful World," by Dr. Stuart Condron. Music for the evening was furnished by Max Bellah.

The club colors of blue and white were accentuated by the use of the blue crepe paper on the white table cloth. On each table were bouquets of yellow tulips, and a large vase of blue and yellow irises was placed at the head table.

"The students were very cooperative in the work" says Mr. Devin, sponsor, "and the address was inspirational to guests and students alike."

Recitals Climax Piano, Choral Work

Climaxing the spring semester's work in music, Mrs. Glen Dowlen and Mrs. Ray McReynolds are presenting their students in a series of four recitals in the high school auditorium.

Twenty-eight beginners appeared in opening performance staged Sunday afternoon at 3:30 o'clock. Numbers consisted of piano and vocal solos, piano duets and one trio.

Intermediates were divided into two sections. One group being presented at 3:30, Wednesday afternoon, while the remainder will appear Thursday at 3:30.

Advance students will give performances Thursday evening at 7:00. Some of this group have studied music for several years and they will present well-known classic and semi-classic selections.

Johnson to Visit Florida and Cuba

Don Paul Johnson will accompany his parents, Dr. and Mrs. Roy L. Johnson, to the annual meeting of the Southern Baptist Convention at Miami, Florida, in May. His work at school is being completed ahead of time by special arrangement with the teachers.

He will leave Canyon on May 6, and will go by way of Vicksburg, Mississippi, where he will see the Memorial Burial Park on the site of the Civil War Battle Field of Vicksburg. He will visit several state capitols, including Montgomery, Alabama; Jackson, Mississippi; Tallahassee, Florida; and Austin, Texas. He will drive through a part of Georgia, and will also visit St. Augustine, Florida, America's ancient city with many points of interest. He will spend a week in Miami while his parents attend the Baptist Convention.

Immediately after the Convention, he will fly by Pan American Airways to Havana, Cuba, where the family will visit mission stations in and near Havana. They will then fly back to Miami where they will resume the journey home by car, coming to Tampa, Mobile, and New Orleans where they expect to spend a day or two visiting points of interest in this largest city of the South. They will then cross the Evangeline country of Southern Louisiana to Reach Beaumont and Houston, thence by Austin and back to Canyon. The trip will take him into six Southern states and one foreign country in a little more than three weeks.

Starting Monday, the highway patrol requested all bicycle riders to come to W. T. High School each day this week for a bicycle school that began as soon as possible after 3:30. All bicycles were checked for safety. After a student passed the course, a certificate was issued.

After listening to a few selections from Bob Siler and his quartet, all went to see "Saratoga Trunk" showing at the Paramount Theater.

"We had a more enjoyable evening that we had the first time when we visited the inn," stated Mrs. Knott.

Seven spanish dishes consisting of pan, dulces, tocas, tocadas, enchiladas, chile con carne, and chile con queso were served to the ones who attended.

Ag Team Judges Fowls at Meet

Eugene Morris, Benny Pyeatt and Donald Davis of the FFA, sponsored by Mr. T. L. Devin, left at 5:30 o'clock Saturday morning to attend the Tri-state Poultry Judging Contest held at Texas Tech in Lubbock. The contest began at 8:00 a. m.

Divisions of the contest were: (1) Culling, (2) Identification of Breeds, and (3) Reasons for Culling. Our team placed eleventh in the contest and third in the culling division. Eugene Morris tied for third place in the contest.

Thirty-one teams entered into this second largest state contest. The contest was over at 10:00 a. m. and the boys spent the remainder of their time watching other exhibitions, the college farm, livestock, etc.

Bobby Scruggs, Ervin Davis and Kenneth Fisher attended also, intending to enter the grain contest, but were unable to obtain all the grains for identifying, therefore they did not enter.

Returning after a long absence with a broken foot, Billy McBroom, was welcomed heartily back to Mrs. Andy Walsh's 5-w.

Spanish Club Tests Mexican Inn Food

Members of the Spanish I class had an informal Mexican supper Monday night, April 29, at the Mexican Inn in Amarillo.

To furnish transportation for the fourteen students, Mrs. A. K. Knott, teacher and sponsor, Mrs. Walter Graham, and Mr. and Mrs. Milton Sanders took cars. They all met at the home of Mrs. Knott and left for Amarillo at six o'clock.

Seven spanish dishes consisting of pan, dulces, tocas, tocadas, enchiladas, chile con carne, and chile con queso were served to the ones who attended.

After listening to a few selections from Bob Siler and his quartet, all went to see "Saratoga Trunk" showing at the Paramount Theater.

Freshman Take Second Honor

1946 sophomores of Canyon High won the Volleyball Intramurals by outscoring the freshmen 15-6 and 15-11 in two straight games in the Grade School gymnasium, Wednesday, April 24.

Sophs Break Record

For the past four years the freshmen of that particular year have won the Intramurals and freshmen trophies are scattered through the trophy cases. This class of sophomores won last year and this year, and since they have broken the old record, will they start a new one for sophomores or carry the title through high school?

Avent High Scorer

Martha Jean Avent led this team to victory by serving eleven points; thus making her high point server. Billie Bonds was second with eight points to her credit. Joan Morton acted as floor captain. Dorothy Butler holds the title of high server for the freshmen with six points, while Juanita Avent follows closely with five.

Haines Coaches Team

Valeta Haines coached the sophomores with Geneva McDougal, Joan Morton, Martha Jean Avent, Sue Gillispie, Billie Bonds and Thelma Bonds playing as the team. Earlene Davis was the substitute. Before winning the finals, sophomores outscored the eighth grade 15-0 and 15-2 with Geneva McDougal acting as captain; seniors yielded to the sophs in two straight games 15-9 and 15-6 with Martha Jean Avent as floor captain.

Freshmen playing Wednesday were: Dorothy Butler, Juanita Avent, Janey Forester, Mary Sue Foster, Sue Dickinson and Wanda Jean Edwards.

All Star Players

Selected for the best player of each team by the team members were: Norma Zell Zachry, senior; Betty Ann Miller, junior; Billie Bonds, sophomore; Janey Forester, freshman; Joanna Haines, eighth; and Ruby Lee Bonds, seventh. These players will receive a volley ball medal as soon as they arrive and a trophy will be presented to the sophomore winning team as soon as it arrives.

Twenty CHS Seniors Choose Site for 1946 'Sneak Day'

Choosing Wednesday, April 24 as their annual "Sneak Day," the senior class journeyed to Ceta Glen for a picnic. Arriving at the canyons at approximately 10:30, they started the day off with an exciting game of baseball. Bobby Mickey's team defeated Blake Zachry's team after the ball had been retrieved from the creek and the swimming pool several dozen times. Following the baseball game, most of the group went swimming. After dinner the seniors hiked to the first falls. Upon returning, they ate again and some went swimming. At 4:00 a tired, but happy group of seniors returned with blistered faces and stringy hair.

Spring Cage Practice Discloses Bright Outlook for Next Season

**Largest Post-War Squad
Will List Two Losses;
Price and Stockman**

From (Is) Happy

Coach W. A. (Gus) Miller opened spring basketball training at West Texas State College yesterday with the largest squad of cagers assembled since the war.

With only two men lost to the squad from the strong 1945-46 team, Coach Miller has fine prospects for next season. These losses, Bordon Price, guard, and Bill Stockman, forward, will be graduated.

The returning squad includes All-American J. W. Malone who recently was voted the most valuable player for the season; Hank Decker, center, and most of the freshmen who won the Amarillo City League championship.

Clark "Deacon" Johnson one of the greatest forwards of recent years and his brother Charles Johnson now in military service in China are expected to return this fall. Both men were lettermen before the war. Charles Johnson has been playing basketball in the Orient and recently broke a bone in one hand, but the injury was not believed to be serious.

Fifteen or more freshmen, most of whom will be over six feet in height, have been lined up by Coach Miller. In fact, should the selective service be delayed, Miller's chief worry would be how to play host to so many talented basketball players. Should there be no delay, however, he may lose some of his best young prospects.

Miller will divide his time between spring football and basketball.

New Planes for W. T. Students of Flying Service

Most recent addition to the fleet of planes used for instruction at West Texas Field is a new 1946 Aeronca Champion purchased two weeks ago by G. W. Cox, owner and operator of the Canyon Aviation Service.

"We hope to replace the three Piper Cubs now in service with this type of plane as soon as possible," said Mr. Cox, who adds that the two Stearman employed in flying belong to veterans enrolled at the college.

Of the 50 college students who are accumulating flying hours at the field, about 20 are former service men taking advantage of opportunities offered them under the GI Bill. Four girls, equally enthusiastic as their male fellow-fliers, are taking instruction.

Primarily, the field is maintained for the college—this is evidenced by the fact that only two flying students are not enrolled here.

Recently returned from instruction of cadets in the army CTD program, Sherman Higdon, chief instructor, has logged several thousand hours. He began his flight training here in 1941.

A more than excellent record of safety may be found in the field's history: no accidents during either the CTD era or 25,000 hours of flight with college students.

"Didn't I hear the clock strike 2 as you came in, dear?"
"You did, my sweet. It started to strike 10, but I stopped it to keep it from waking you up."

We read the other day of a lad who advertised his new-born pups for sale as "Republican Puppies." Then, two weeks later he sold them as Democratic Puppies—because they had their eyes open.

Every time we get mad we wish we had trained ourselves to be a spectator in an emotional situation instead of a participant.

When they jerked a fellow out of a wrecked car the other day, he said that except for his marriage, that was the worst fix he had ever been in.

The 1946 swim suits certainly reflect the material shortage. You'll see less suit and more gal at the beach. As some wag said, "The girls are bare-ing up beautifully."

Two men were hospitalized in Syracuse, N. Y. recently, while attending a nylon sale. Mere man should know by now that it's a woman's world.

A persons emotions can be judged better from his mouth than from his eyes.

A happy boy from Happy is Ross Forsyth, student taking a straight academic course at West Texas State.

Mr. Forsyth said, "I'm as happy as I can be to be home and in school, thanks to that G. I. Bill." He is among the married veterans at WTSC. His wife is Mrs. Ross Forsyth, Rt. 1, Snyder. His parents are Mr. and Mrs. G. W. Cook of Happy.

He was discharged last August as a master sergeant with 95 points.

He served overseas with the 447th heavy bomb group of the 8th Air Force, earning the Bronze Star and European theater ribbon with four battle stars for the Normandy, Northern France, Rhineland operations, and the air offense over Europe.

(Taken from the files of the
Randall County News of
May 5, 1921)

The State Health Department will furnish a public health nurse for Randall county starting next week. She will examine all school children of the county.

Membership in the Canyon Golf Club has increased from 25 to 50.

Prof. John S. Humphreys, president of the College of Marshall, has been named registrar of the normal and will arrive June 1 to begin his work, stated President J. A. Hill.

An election has been called to raise the school taxes in order to maintain the 10th and 11th grades in the public schools.

Brunk's Comedians, starring Harley Sadler, will play in Canyon soon.

Twenty-six members of the Eastern Star assisted with the initiation at the Happy lodge.

J. D. Gamble, Jr., goes to Austin this week to represent the district as junior declaimer.

County Exhibit at District Meet Wins Favor

The annual meeting of District 1, Texas Home Demonstration Association at Childress, April 26, was attended by several club women of the county and the county home demonstration agent. Voting delegates to the meeting were Mrs. T. C. Gooch, Canyon; Mrs. A. E. Wise, Happy; and Mrs. Owen Pyeatt, Canyon. Others attending were Mrs. L. S. Johnston and Mrs. L. L. Byars of Canyon; and Mrs. S. C. Elliott of Happy. Besides their reports to the meeting, Randall County contributed an outstanding educational exhibit of bedspreads.

The plans and materials for the exhibit were worked up by the county exhibit committee of which Mrs. Kenneth Burum of Ralph Club is chairman. Nine finished bedspreads were displayed showing different designs, both white and colored.

A bedspread in the process of being made with all necessary equipment and directions was also included as an educational feature, so that interested persons could learn how they are made.

The exhibit was put up in a down town window the afternoon before the meeting and received much favorable comment.

When the teacher asked our boy to name the greatest obstacle encountered in building the Panama Canal, he replied "dirt."

Rollin' 'em faster on the Santa Fe

Santa Fe serves the Southwest with two main lines.

The northern route runs across the plains of Kansas, southeastern Colorado, and goes over the mountains at Raton Pass.

The southern route leans south in eastern Kansas, runs through Oklahoma, the Texas Panhandle (where it is joined by other Santa Fe lines serving Texas), crosses central New Mexico, and joins the northern route again near Albuquerque.

Along these main lines Santa Fe has increased its yard facilities, straightened out curves and lengthened sidings to handle more freight trains.

Centralized Traffic Control systems have been installed, virtually adding another "main line" to important parts of the Santa Fe.

A great new double-track steel bridge across the Colorado River removes the "bottleneck" created by the old single track bridge it replaces.

80 giant 5400-horsepower Diesel locomotives—the most powerful freight Diesels in the world—are pulling heavy freights over our steepest mountain grades.

These increased facilities on the Santa Fe are ready to "roll 'em faster" for shippers even more efficiently than before.

POWER POWER POWER POWER POWER

AND MORE POWER FOR THIS AREA!

This territory is on the move—and it has everything it takes for more industry, more and better business, better and more modern farming and better living in the home. The aggressive people are here, the natural resources are here—and also plenty of low-cost electric power.

Our vast expansion program which includes a complete new power station, additions to others and miles and miles of new transmission lines, proves that we have faith in the future of this area. We'll continue to do everything within our power to help in its sound development for many years to come.

Wayside Items

Sam George Stuart filed his regular appointment Monday.

We were sorry to hear of the passing of another old timer from our midst, Mrs. Lela Rogers who died Monday night in the home of her daughter, Mrs. Ed Wilson, where she had been very ill for a long time. She was said to rest in the Wayside Cemetery by the side of her husband, who preceded her a number of years ago.

Ray and Stewart Prichard of Canyon are visiting with their grand parents, Mr. and Mrs. W. E. Prichard.

Mr. L. McCord, Mr. Jack Long and son, George, spent the week end on a fishing trip to Elephant Butte, New Mexico, N. M.

Mr. and Mrs. W. I. Lutz were Canyon natives one day last week.

Mr. and Mrs. Jack Butler of Amarillo have bought the Chap Wagon and will live in the W. C. McCord house across the road.

Mr. and Mrs. W. E. Prichard announced arrival at the Amarillo of Oak Canyon in Canyon Monday and were dinner guests in the Ray Prichard home. Mr. E. A. Prichard was also a guest on her return trip from Pasadena.

There is the advantage of being new. The new man has not time to worry about.
